

In recognition and appreciation of the extraordinary effort school teachers provide to our community, Kingsport Press Credit Union is pleased to be able to offer a Teacher's Aid Grant program. Through this, we can assist teachers in obtaining supplies, books, furniture, equipment, and other necessities and teaching aids for their classrooms, as well as help with projects or field trips. We will be awarding one \$250 grant each quarter. Grants will be awarded in January, April, July, and October.

You're invited to apply! We encourage applicants to think outside the box in letting us know about your needs and how this grant will enhance student learning in your classroom.
